Hi Linda and Frank,

Happy New Year - I hope you both had a nice holiday and I wish you a prosperous 2014! I just wanted to let you know that the Board of Harbor Commissioners voted on their 2014 meeting schedule at their December 12, 2013 meeting (I sent an e-mail to you on Dec 4th informing you that they would be voting on their 2014 schedule on the 12th). Their 2014 schedule can be found online at: <http://www.portofla.org/commission/schedule.asp>. Although this year's schedule does not have night meetings, Harbor Commissioner Arian mentioned that he received a letter from the Central SPNC and that "the Harbor Commissioners can amend their calendar if needed, this doesn't absolutely lock us into this schedule. It can be amended." He said that he wanted to make this public so that the Central SPNC knows that they (the Harbor Commissioners) took your concerns into consideration.

Sincerely,
